

Name: ID:	MARTIN GT MAGNET MIDDLE SCHOOL ELECTIVE SELECTION CARD 2009-2010 GRADE 6-SECOND SEMESTER
 <small>If you choose not to return your card, or choose not to rank all eligible courses, schedulers/counselors will be choosing courses available to you after all other on-time cards have been scheduled. Note that all choices in each area are taken into consideration, <i>but are not guaranteed</i>. All student needs, choices, timeliness of card return, and course availability are considered when scheduling students into courses in order to create a balance of electives and an equitable opportunity for all students. If you have been NOMINATED for a course, please make sure to ATTACH your nomination form to this card. PLEASE READ THE COURSE DESCRIPTION GUIDE BEFORE CHOOSING COURSES! RETURN THIS FORM BY THURSDAY, NOVEMBER 19TH, 2009!</small>	

DIRECTIONS: Number your elective course selections in order of preference from 1-5 for BOTH third AND fourth quarters. If you have taken a course marked with an asterisk (*), DO NOT choose that course, as you MAY NOT repeat it. DO NOT choose Preregistered courses-if you are eligible for such a course, your teachers will sign off on this card before it is submitted for scheduling. Before ranking a course, make sure you have fulfilled the appropriate prerequisite, if any. PRE-REGISTERED COURSES, AS WELL AS ANY SPECIAL EDUCATION AND/OR REMEDIATION COURSES WILL TAKE PRECEDENCE OVER ALL OTHER CHOICES.
